## RUN TURKEY RUN

# 4

### Objective:

- To get all participants through your intersection safely.
- To stop all vehicles from crossing the race course.

### What to expect:

- Clear your intersection 5 minutes before the start of the race..
- There are two race starts! One for the 5 km runners and one for the milers.
- All 5K runners and walkers will initially come toward you on 3rd Ave. from the east. The 5K runners will come to you again in the opposite direction in the 2<sup>nd</sup> half of their race and you will turn them south on N 29<sup>th</sup> St.. 1 mile runners will come toward you from the west.
- Encourage all vehicles to go around.
- Let vehicles pass through during gaps in the runners only if they need to reach a business or residence within the course boundary and it is safe to do so. If possible, move any traffic on 3rd Ave. to the north lane of the street. Send all other vehicles west to 8th St. or east to 27th.
- Be friendly but firm with drivers.
- After sweep vehicle passes by, for the 1 mile race, allow for normal traffic to resume.

### When to leave:

- Stay at your position until after the 1 mile race and you see the sweep vehicle pass by on 2nd street.
- Return to the meeting area with your orange vest along with any signs you may have used.
